Re-E. A. Fanshier.

Dear Mr. Jackson:--

I am going to ask you if I can expect you to see that I get the balance due on the Fanshier combine this year or as soon as he sells some of his grain. This I believe is in accordance to our understanding last year, and I will be pleased to hear from in regard this matter, do not think it will be necessary for me to make a trip down there to attend to this matter as you have been taking care of these payments before.

The balance due is $250.00 on the principal with interest at 8% from Dec 8th I93I. If you wish I will send the note to you.

I hope that you have good crops this year and that there will be a price whereby the farmers can make some money. Thisis certainly some depression is'nt it ?

I am not doing anything, have been trying to line up some good Commission lines but I find it very hard to get a good line and one that will sell during these times.

Very truly yours,

B.A.AMY
